(This is a very simple and elegant French troubadour song, dating to the 13th century. )

C'est la fins, quoi que nous die, j'aimerai  
C'est la jus au mis le pre  
C'est la fins je vul aimer  
Jus et baus y au lever bel ami ai.  
C'est la fins quoi que nous die, j'aimerai

### Translation

It is final, no matter what they say, I'll be in love.  
It is there, in the middle of the meadow.  
It is final I want to love.  
The dance steps begin; beautiful lover have I.  
It is final, no matter what they say, I'll be in love.
